UNCLAIR

It's beginning—another year at STC. It was a good year at that, full of surprises, fun, activities and education. It was the same as all other years—and different from all other years. It lasted from Fall 19-64 to Spring 1965, and it's all here in the Halo. Just turn the page and start your trip through the past—your past, the games you saw, the things you did, the teachers and students you saw every day, everything that happened is here in your yearbook.

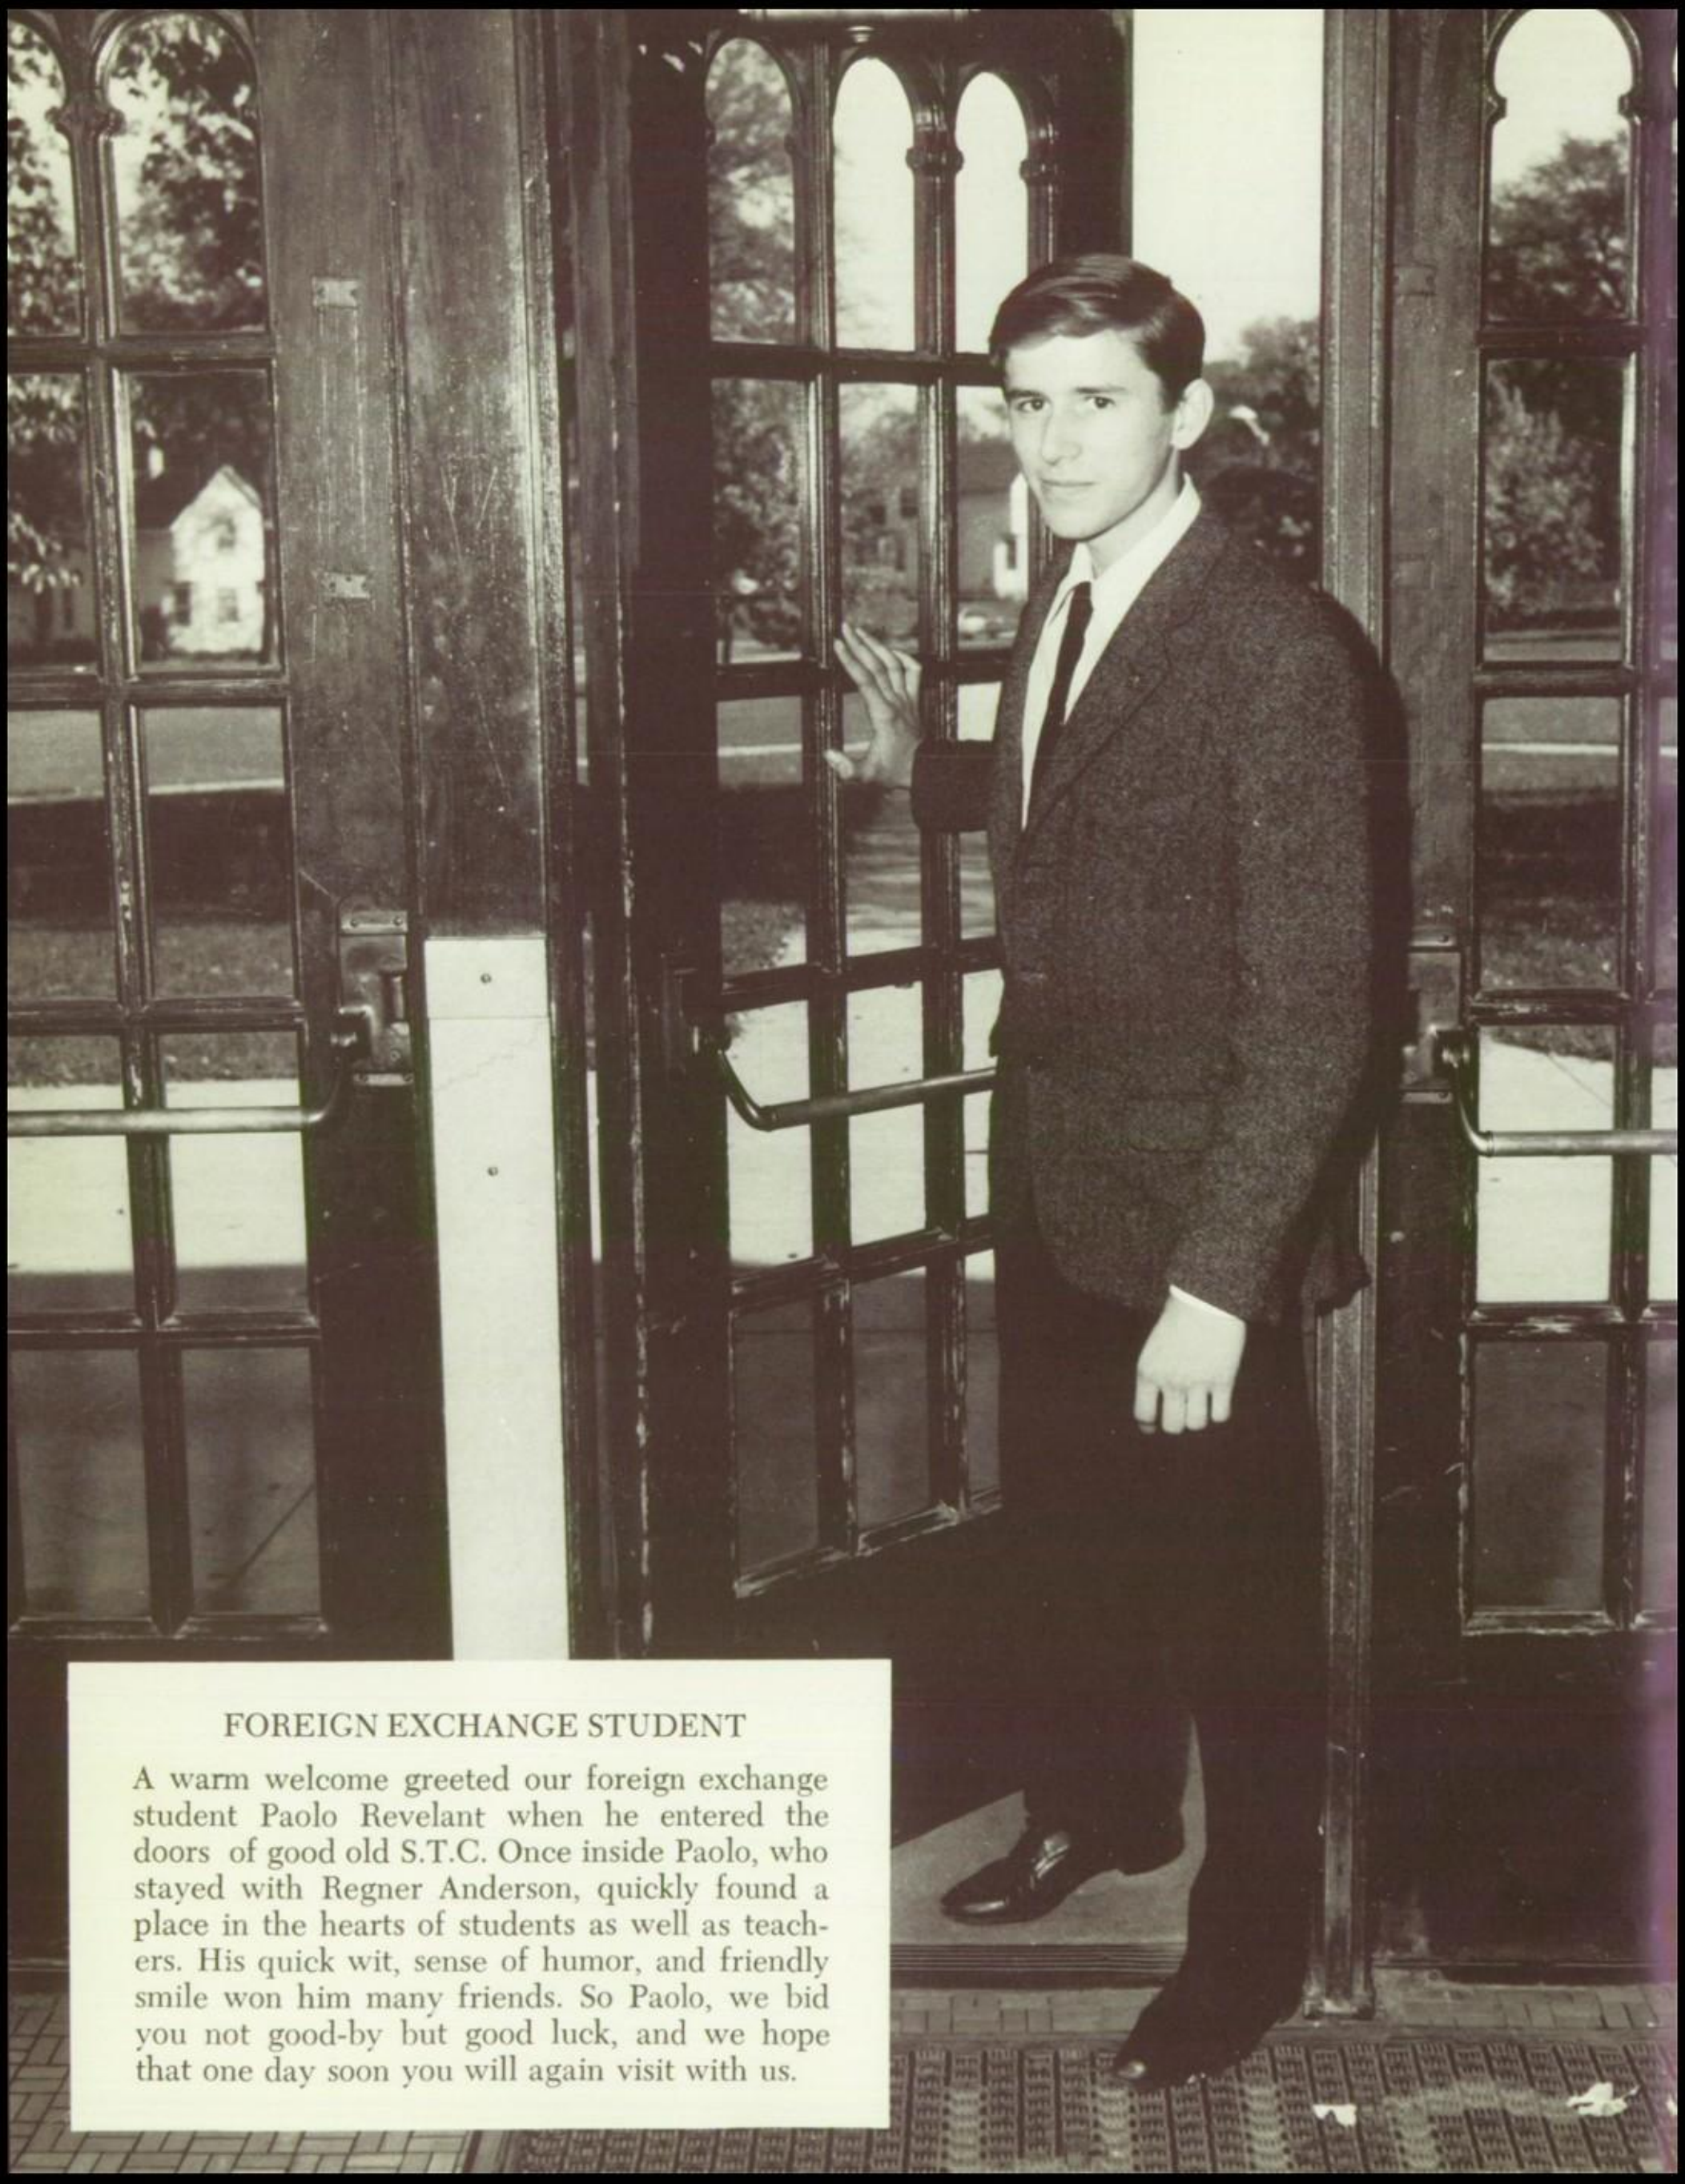
DEDICATION

We dedicate the Halo to Miss Brady, who has spent many years in faithful service to our school. Students owe much of their knowledge about the world around them to this outstanding teacher. From the Halo staff and the student body we extend a sincere "THANKS" for the inspiration Miss Brady has added to our education and our futures.



FOREIGN EXCHANGE STUDENT

A warm welcome greeted our foreign exchange student Paolo Revelant when he entered the doors of good old S.T.C. Once inside Paolo, who stayed with Regner Anderson, quickly found a place in the hearts of students as well as teachers. His quick wit, sense of humor, and friendly smile won him many friends. So Paolo, we bid you not good-by but good luck, and we hope that one day soon you will again visit with us.

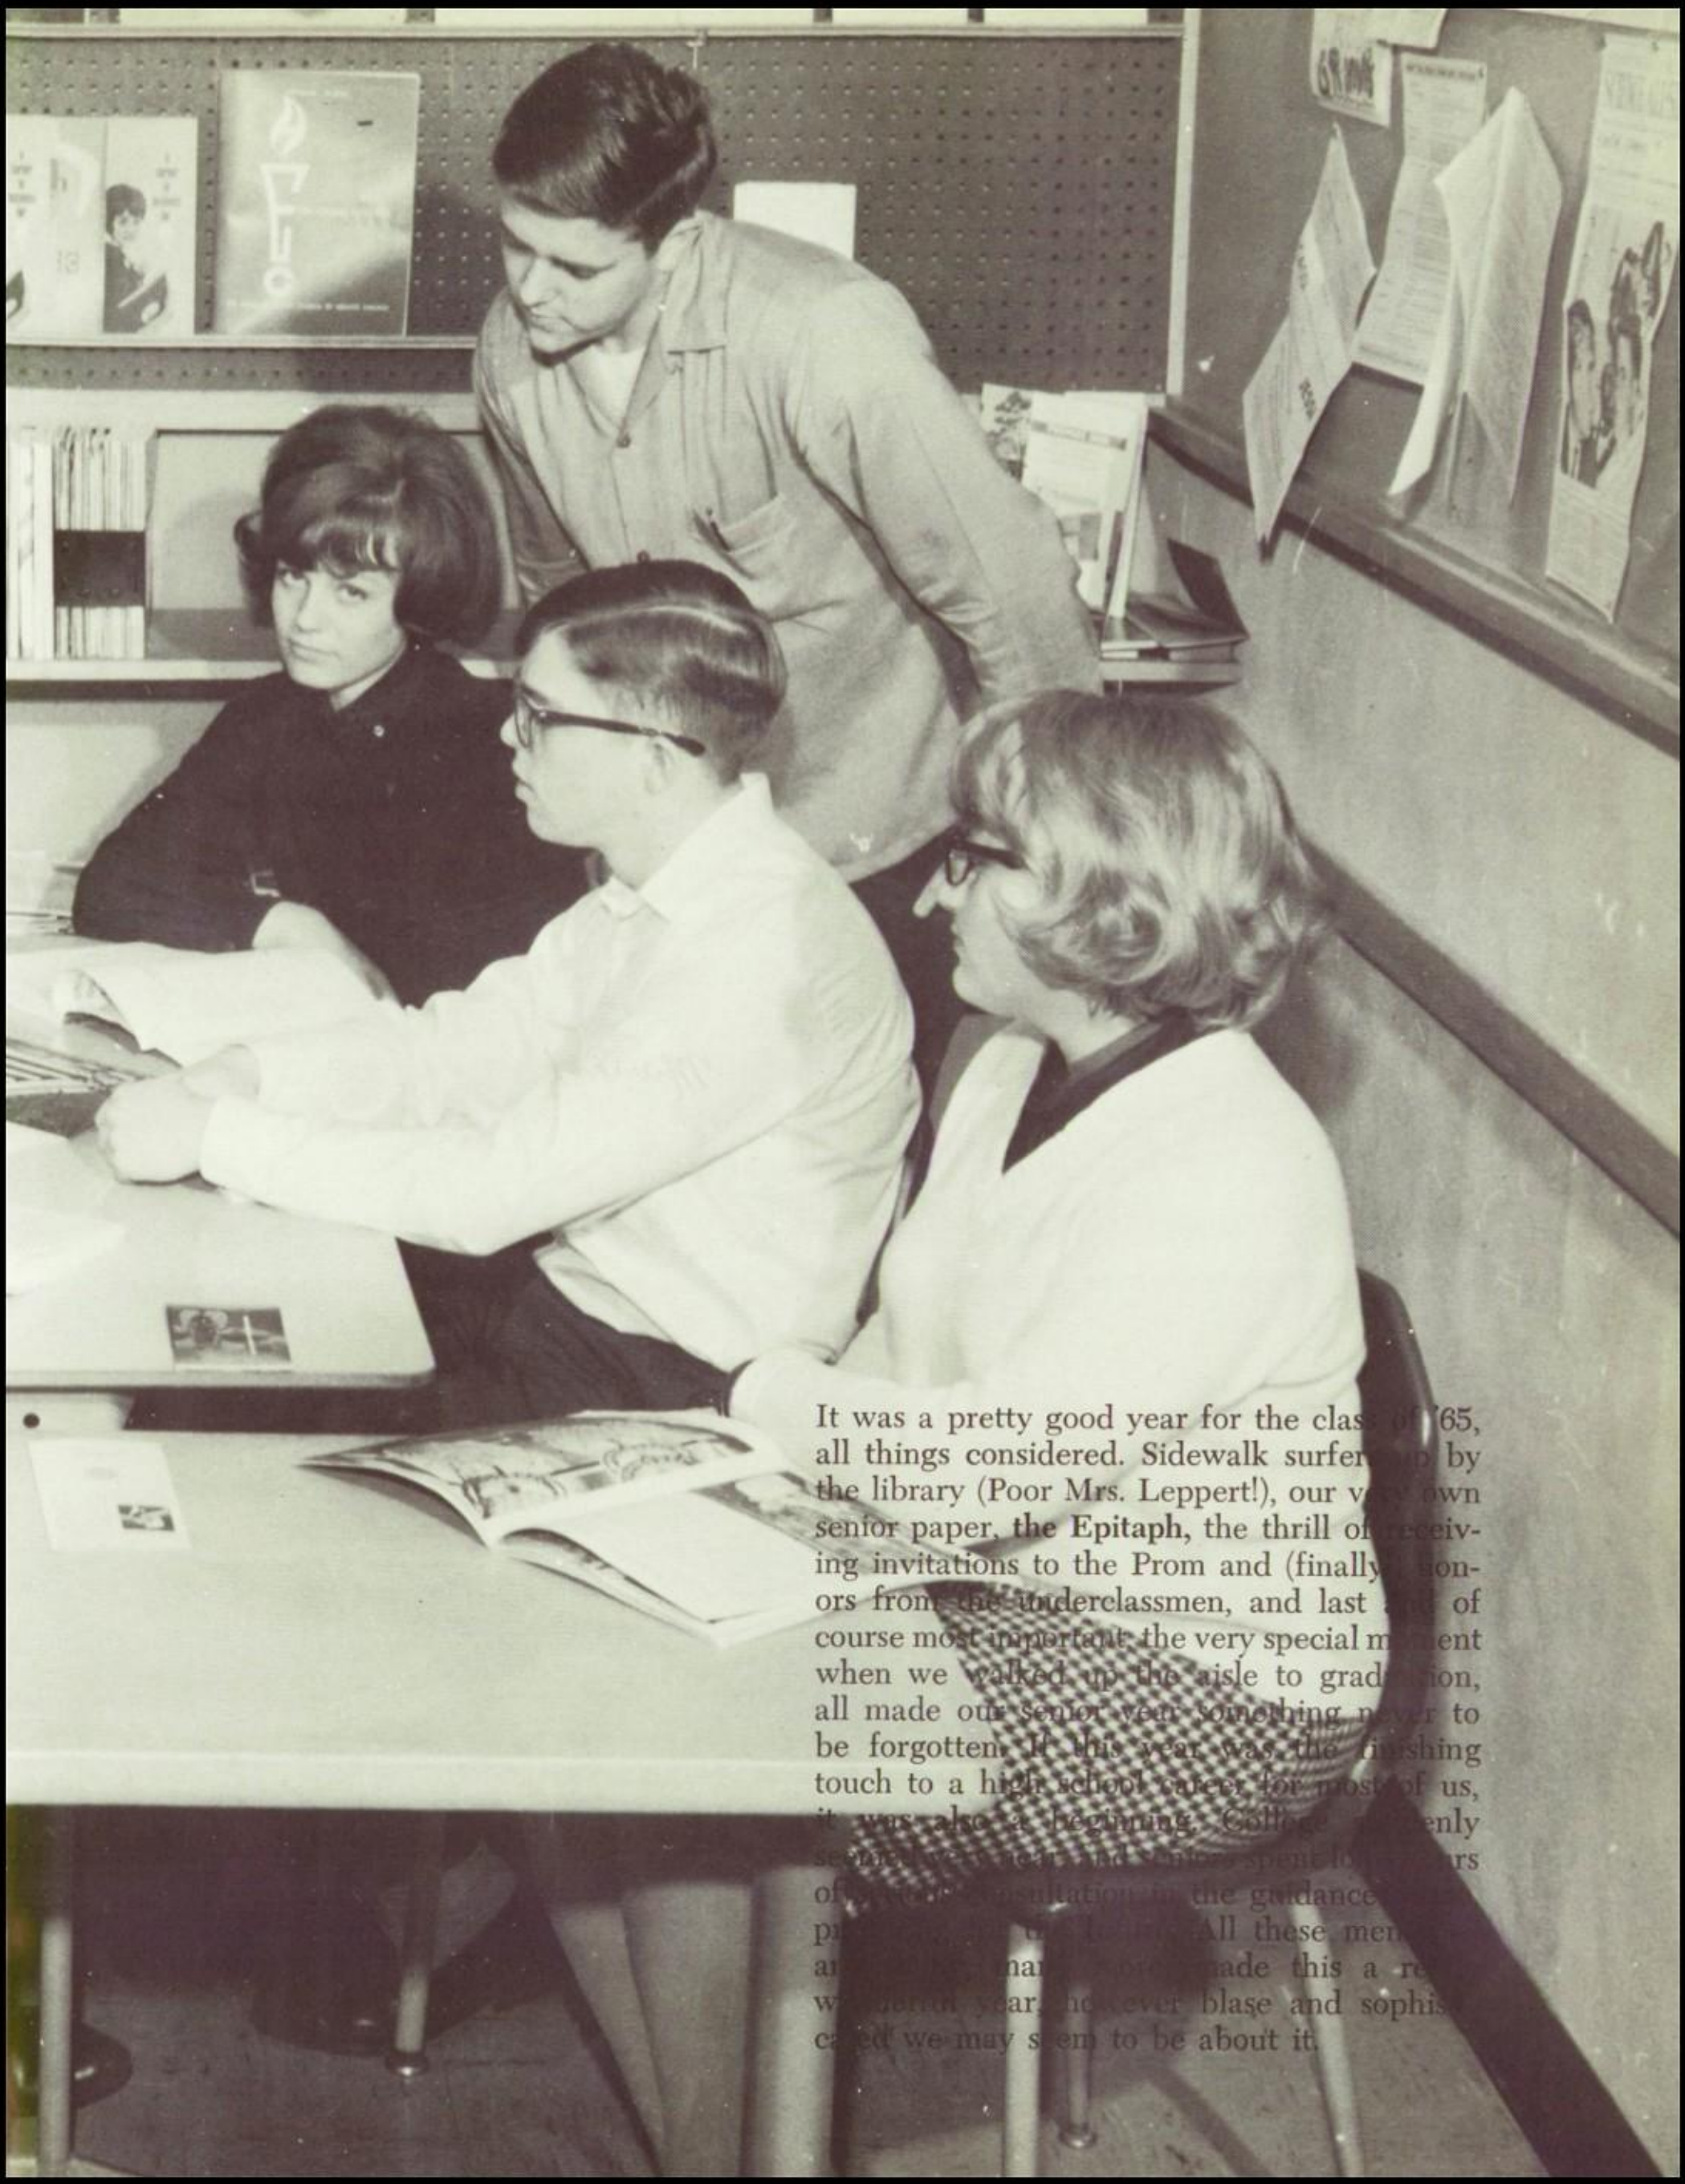
SENIORS



It was a pretty good year for the clas[s] of [19]65, all things considered. Sidewalk surfer[s] by the library (Poor Mrs. Leppert!), our v[ery] own senior paper, **the Epitaph,** the thrill of [re]ceiving invitations to the Prom and (finally) hon-ors from the underclassmen, and last [but] of course most important the very special m[o]ment when we walked up the aisle to grad[u]ation, all made our senior year something n[ev]er to be forgotten. If this year was the [fi]nishing touch to a high school career for [m]ost of us, it was also a beginning. Colleg[e] [ea]rnestly [s]earched for [a] and [o]thers spent [l]ong hours of [c]onsultation in the guidance [o]ffice. All these men[t]al pr[o]cesses and [a]ctivities made this a re[a]l w[o]rthwhile senior year. However blase and sophis[t]i-ca[t]ed we may s[e]em to be about it.

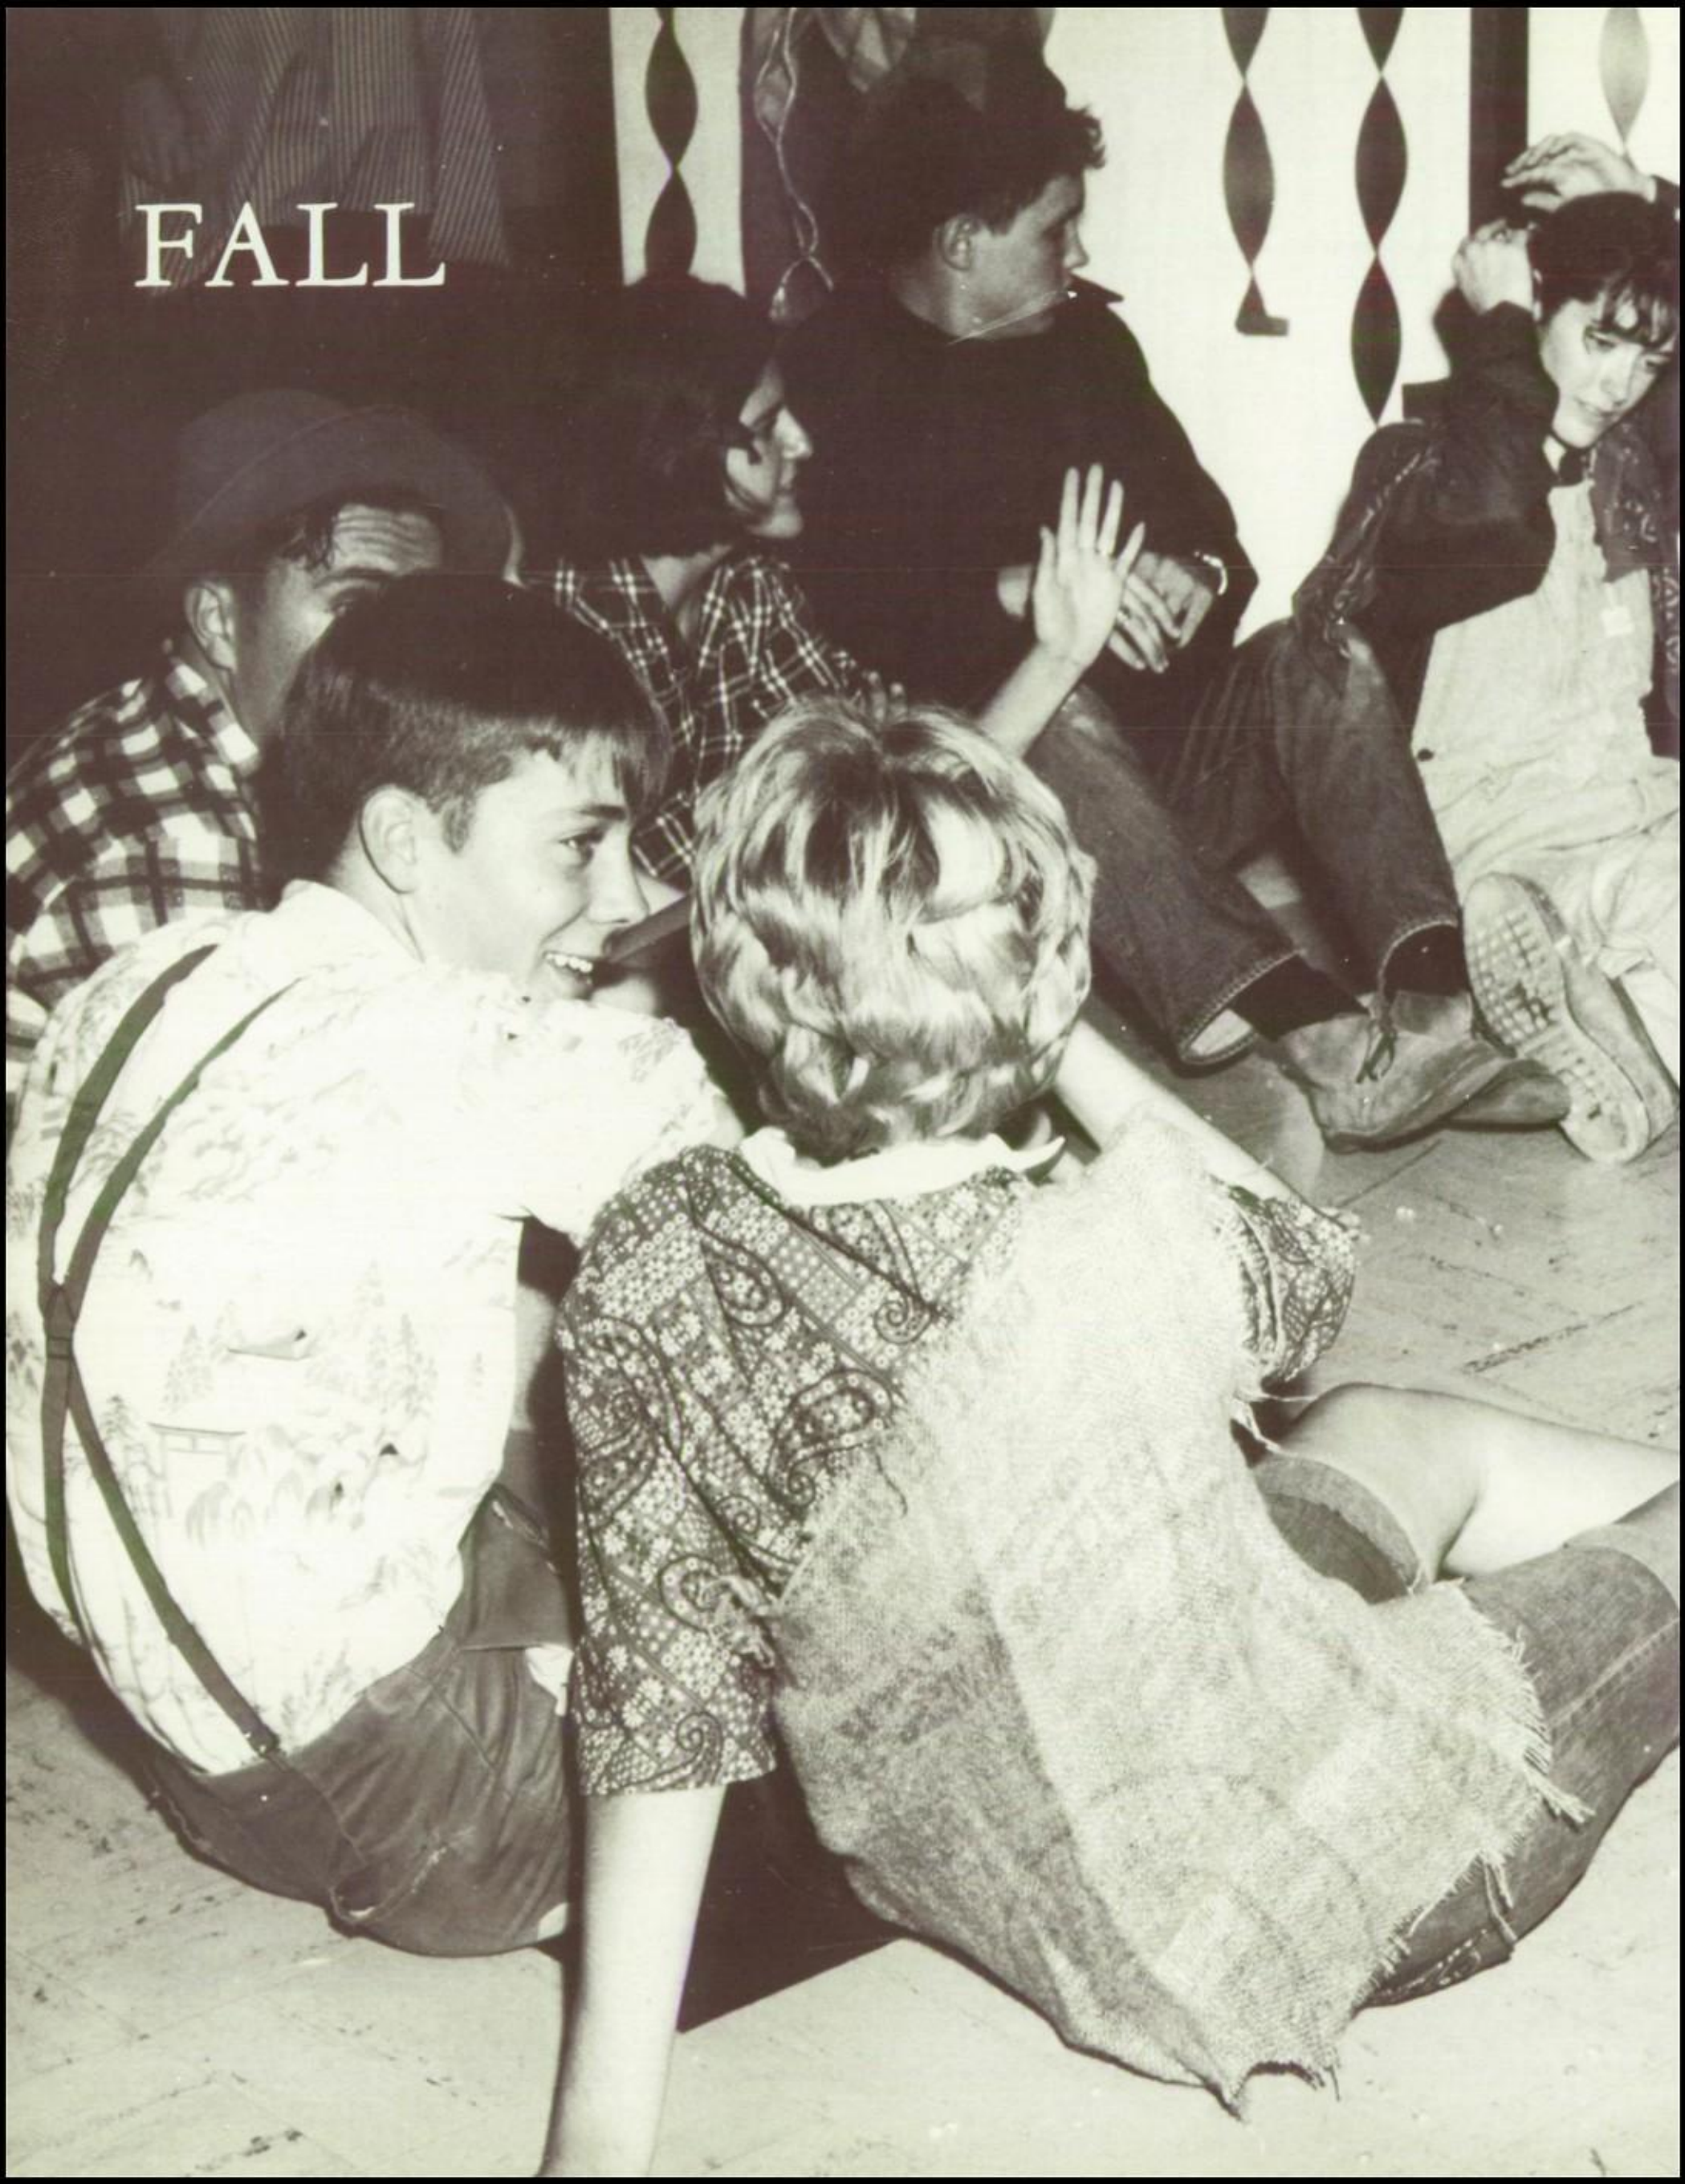
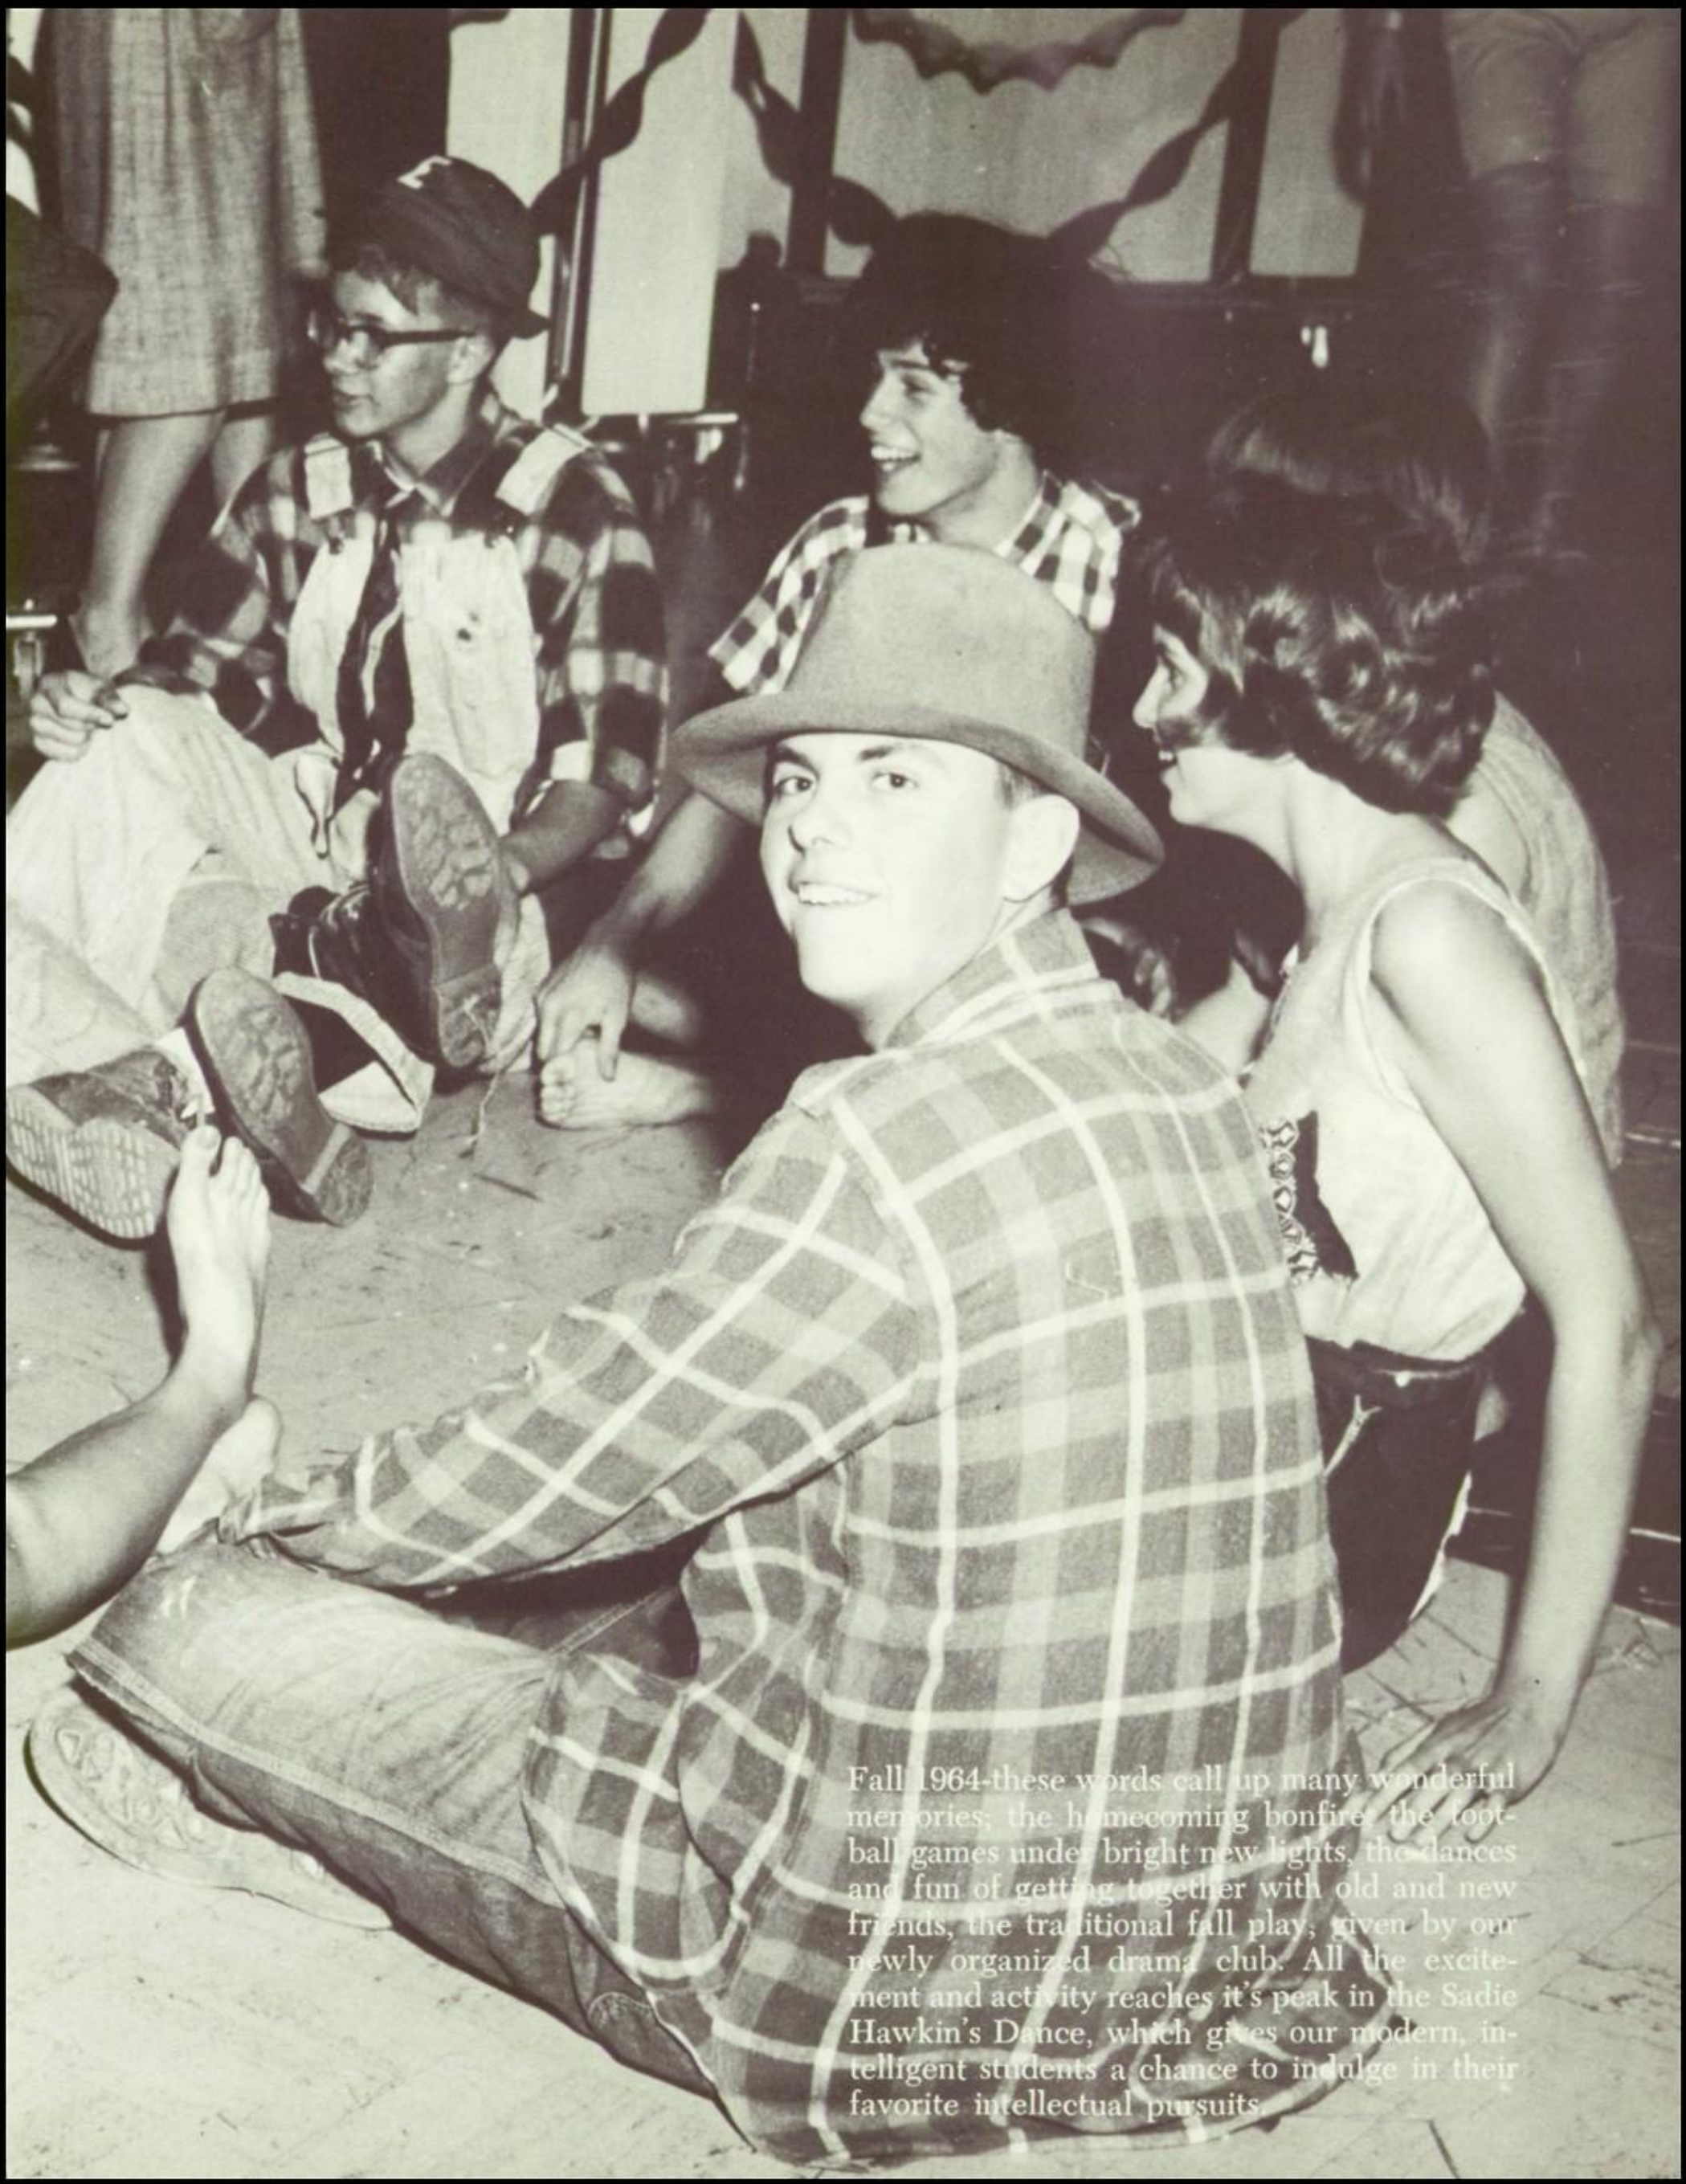
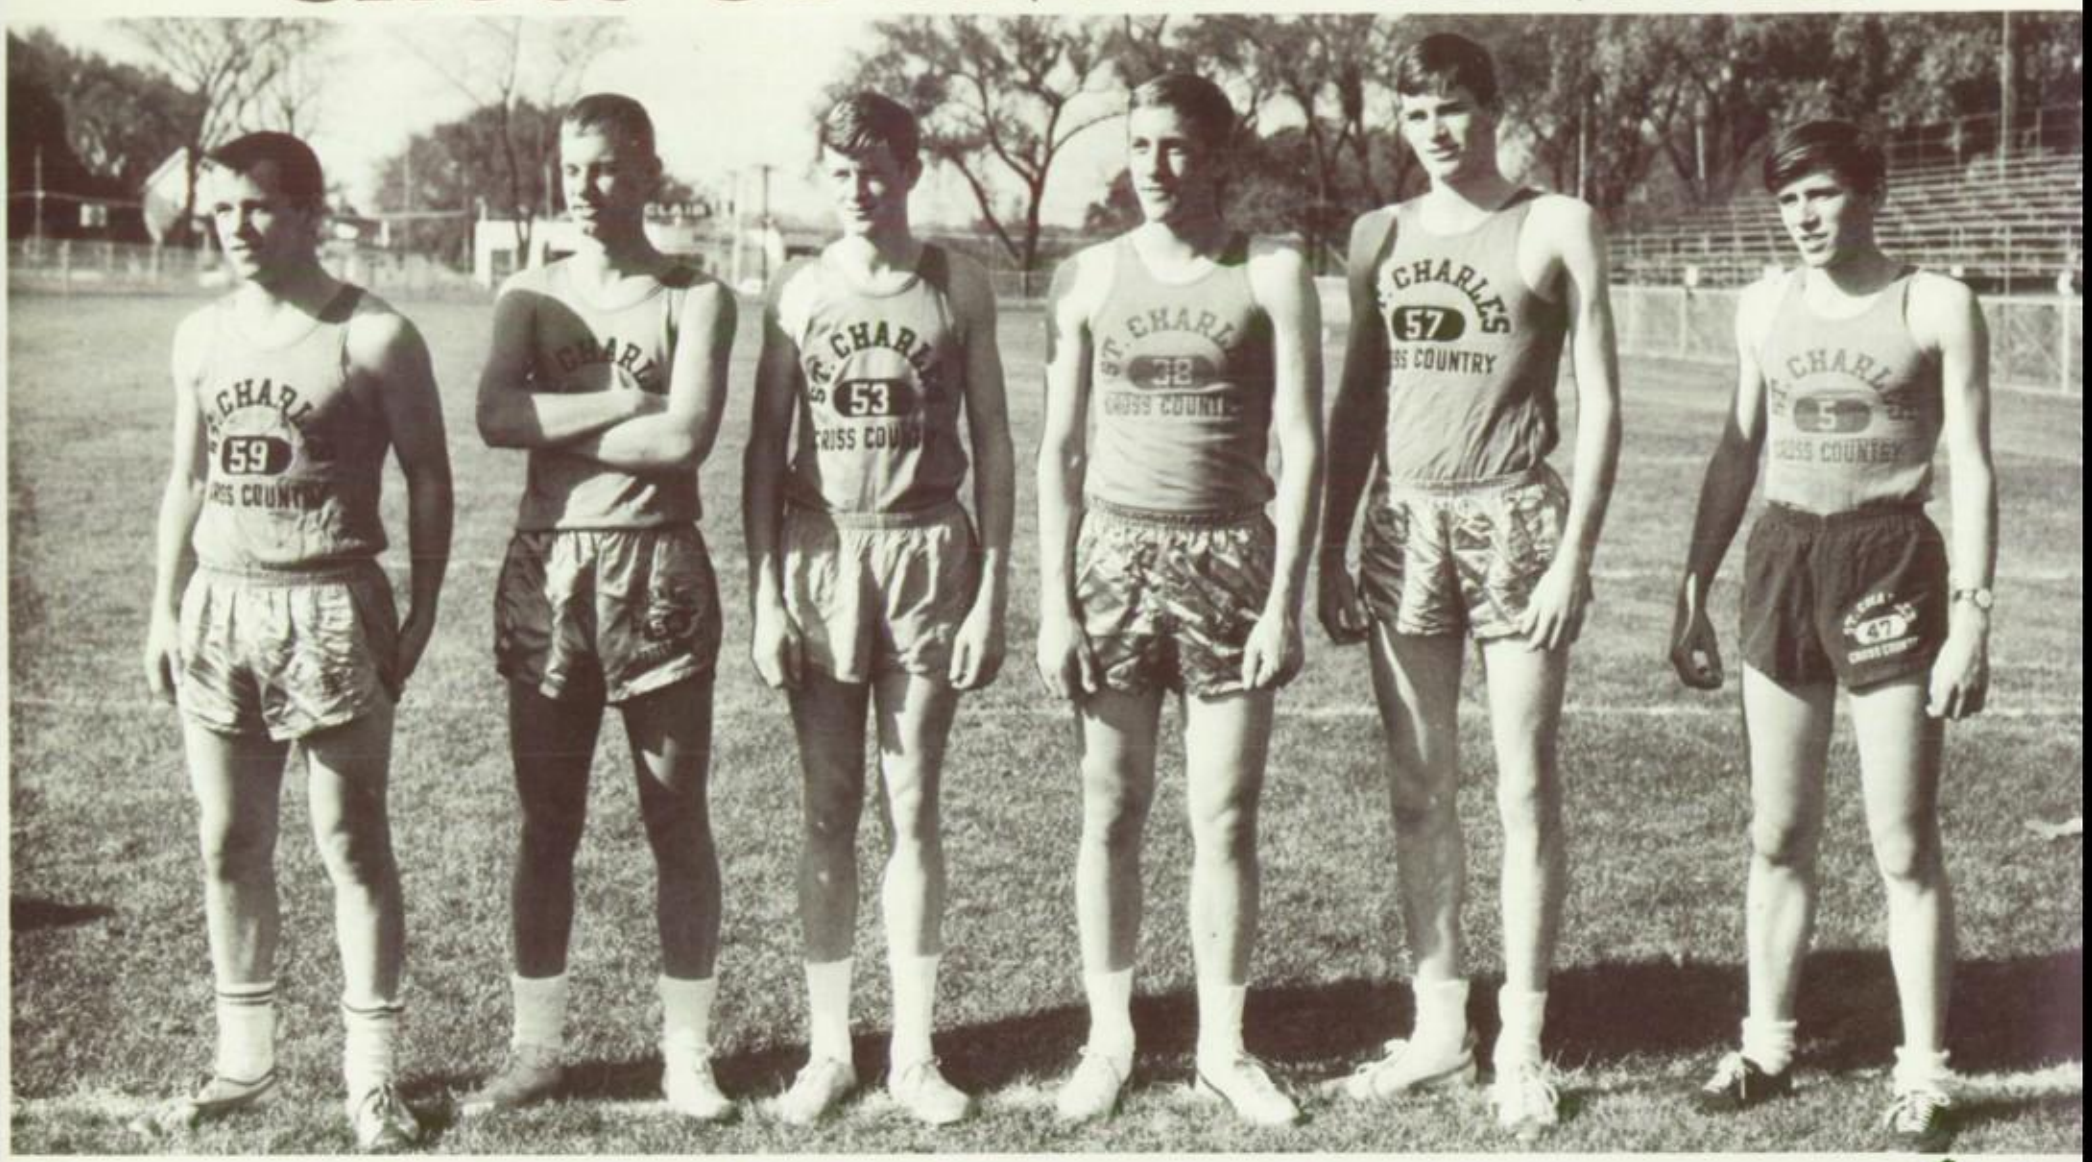
FALL





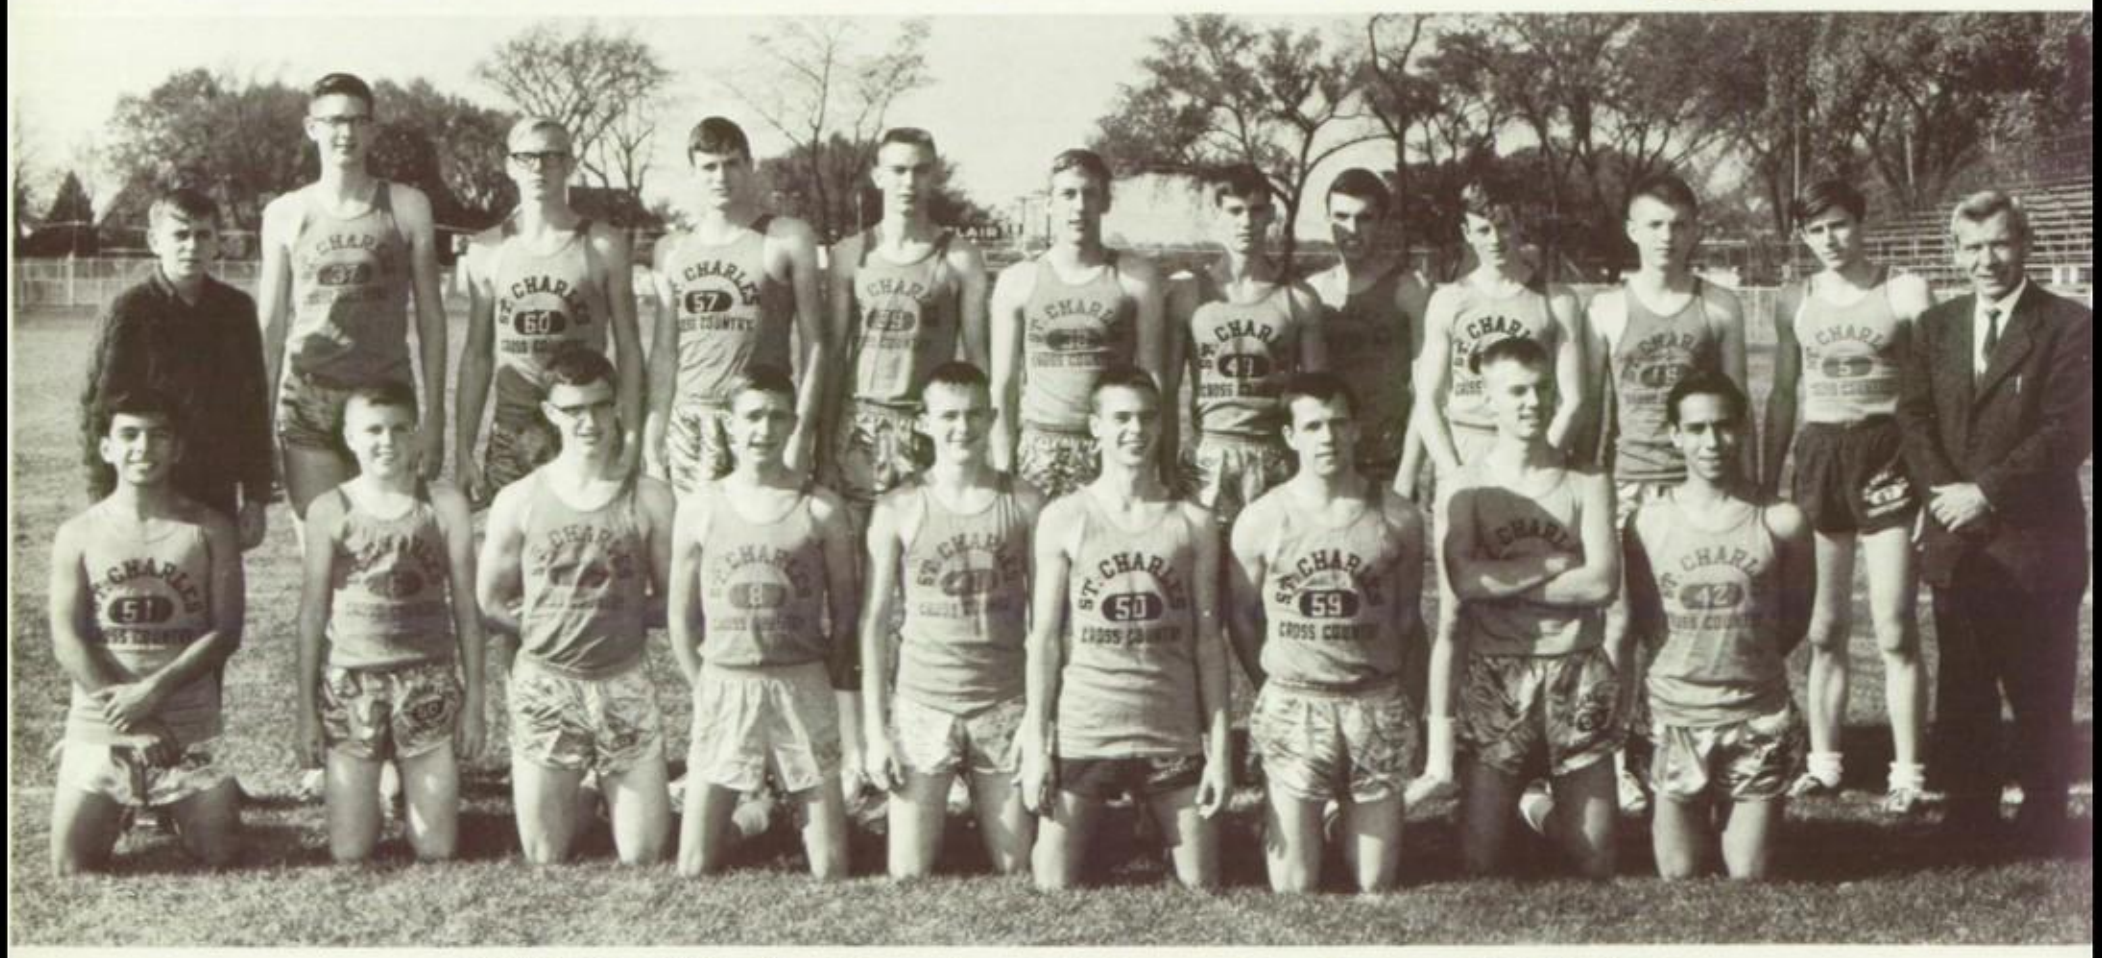
Fall 1964-these words call up many wonderful memories; the homecoming bonfire, the football games under bright new lights, the dances and fun of getting together with old and new friends, the traditional fall play, given by our newly organized drama club. All the excitement and activity reaches it's peak in the Sadie Hawkin's Dance, which gives our modern, intelligent students a chance to indulge in their favorite intellectual pursuits.

CROSS COUNTRY SENIORS



Larry Curtis, Cal Pearson, Mike Pooley, Rick Bell, Dave Nelson, Paul Relevante.

CROSS COUNTRY SQUAD

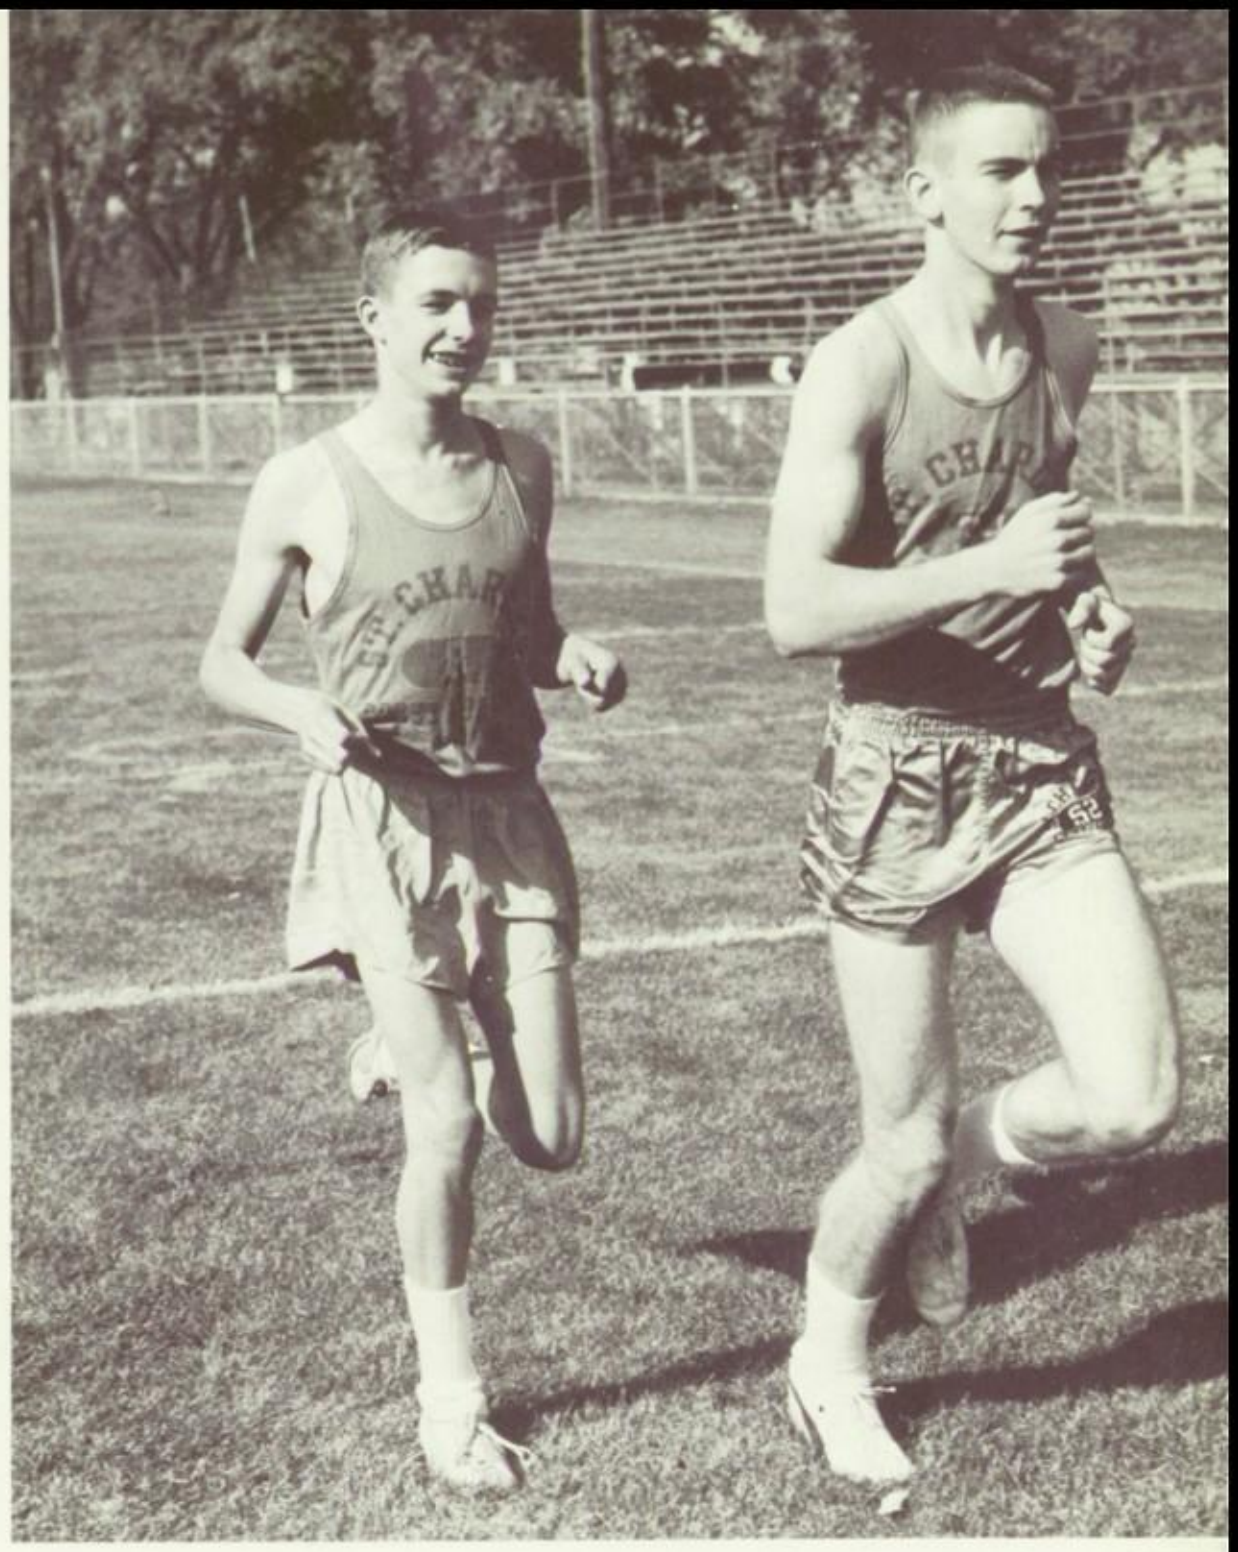


BOTTOM ROW: Ray Herrandez, Bob Benson, Lon Damser, Rick Wolhuter, John Dunlap, Steve Birch, Larry Curtis, Cal Pearson, Jerry Sanchez. STANDING: Jerry Botham, Manager, Glen Williams, Doyle Potter, Dave Nelson, Don Russell, Rick Bell, Steve Ansley, Dick Watson, Mike Pooley, Mike Plumer, Paul Relevante, Mr. Bergeson, Coach.

Cross Country

The 1964 St. Charles cross country team has completed one of the most successful seasons in its history. The season was featured by the meteoric rise to prominence of sophomore Rick Wolhuter. Wolhuter won every dual meet in which the Saints competed, finished second in a triangular meet with Elgin and West Aurora, second in the Kane County Meet, fourth in the Peoria Invitational, fifth in the St. Charles Invitational, twelfth in the Riverside - Brookfield Invitational, and his fourth place finish in the District Meet earned Rick the right to go to Urbana and compete in the state meet where he continued his strong performances finishing ninteenth among the best runners in the state. St. Charles was proud to be represented by Wolhuter at the state meet.

The great success of this year's team, however, was not due to the accomplishments of only one runner. This 1964 cross country team was a collection of hard working and determined boys. Senior Dave Nelson, while injured for part of the season, ran well in the nine meets in which he competed. Juniors Mike and Steve Ansley ran well all year, finishing in the top ten in many meets. Sophomore Don Russell also ran consistently well throughout the year. Seniors Larry Curtis, Terry Kitchell, Dave Nelson, Cal Pierson and Mike Pooley served the cross country team faithfully in their last high school cross country season in 1964. Special recognition should go to 1963 lettermen Curtis, Nelson and Pierson.



Rick Wolhuter, and Don Russell.

Mike Ansley, Don Russell, Steve Ansley, Doyle Potter, Dave Nelson, Larry Curtis, Rick Wolhuter.

THIRD ROW: Dan Duplack, Mike Horton, Bruce Jones, Hal Stamm, John Rodgers, Don Hansen, Tom Majer, George Burke, George Bricher.

Varsity Football

In spite of the fact that the 1964 football season has been a rather discouraging one, this year's team showed promise for 1965. The Saints' offense has been entrusted largely to juniors, with quarterbacks Dave Rehm and Terry Burke showing much improvement; fullback Bill Spalten ran consistently well all season; and halfbacks Jesse Rameriz and Ric Raasch showed speed and power. Senior Mike McNair also ran well all season.

Prospects for the Saints' future are equally good in the line. Underclassmen again dominate with end Bob Olsen, tackle Wayne Wyatt and guard Dan Brienza all have one more year of high school eligibility, and Sophomore Bob Linder has two years of high school football eligibility. Seniors also performed creditably with end Barry Parr, guard Joe Franck and center Jim Trout being especially outstanding

These Seniors who faithfully competed for this team deserve recognition at this time: Barry Jones, Stu Robinson, Mike Stanko, Arthur Morris, Dave Henigan, Marvin Lich, Jim Krachala, Darryl Roberts, Roger Ware, Greg Glemza and Ron French.

January, 1965, will long be remembered by faculty and students alike. Alas, school was closed for two days, due to ice storms! Students whiled away the weary hours at the library, while impatiently awaiting the opening of school. Semester tests, Senior and Junior themes, and the unique experience of studying by candlelight during the power failure all contributed to a really wonderful winter.

Coach Bob Funston and his "Fighting Saints" grapplers competed in the annual Little Seven Conference wrestling meet for the final time before they depart for the Upstate eight and they did themselves and their school real proud!

It has been touch and go between Oswego and St. Charles all season and ironically enough that's just the way the conference meet ended up—a tie between the Saints and the Panthers with both squads totaling 76 points apiece.

Rick Raasch, wrestling at 133 pounds, was the only St. Charles entry that finished with a first but the Funstonmen came thru with enough points to split the title with the Panthers.

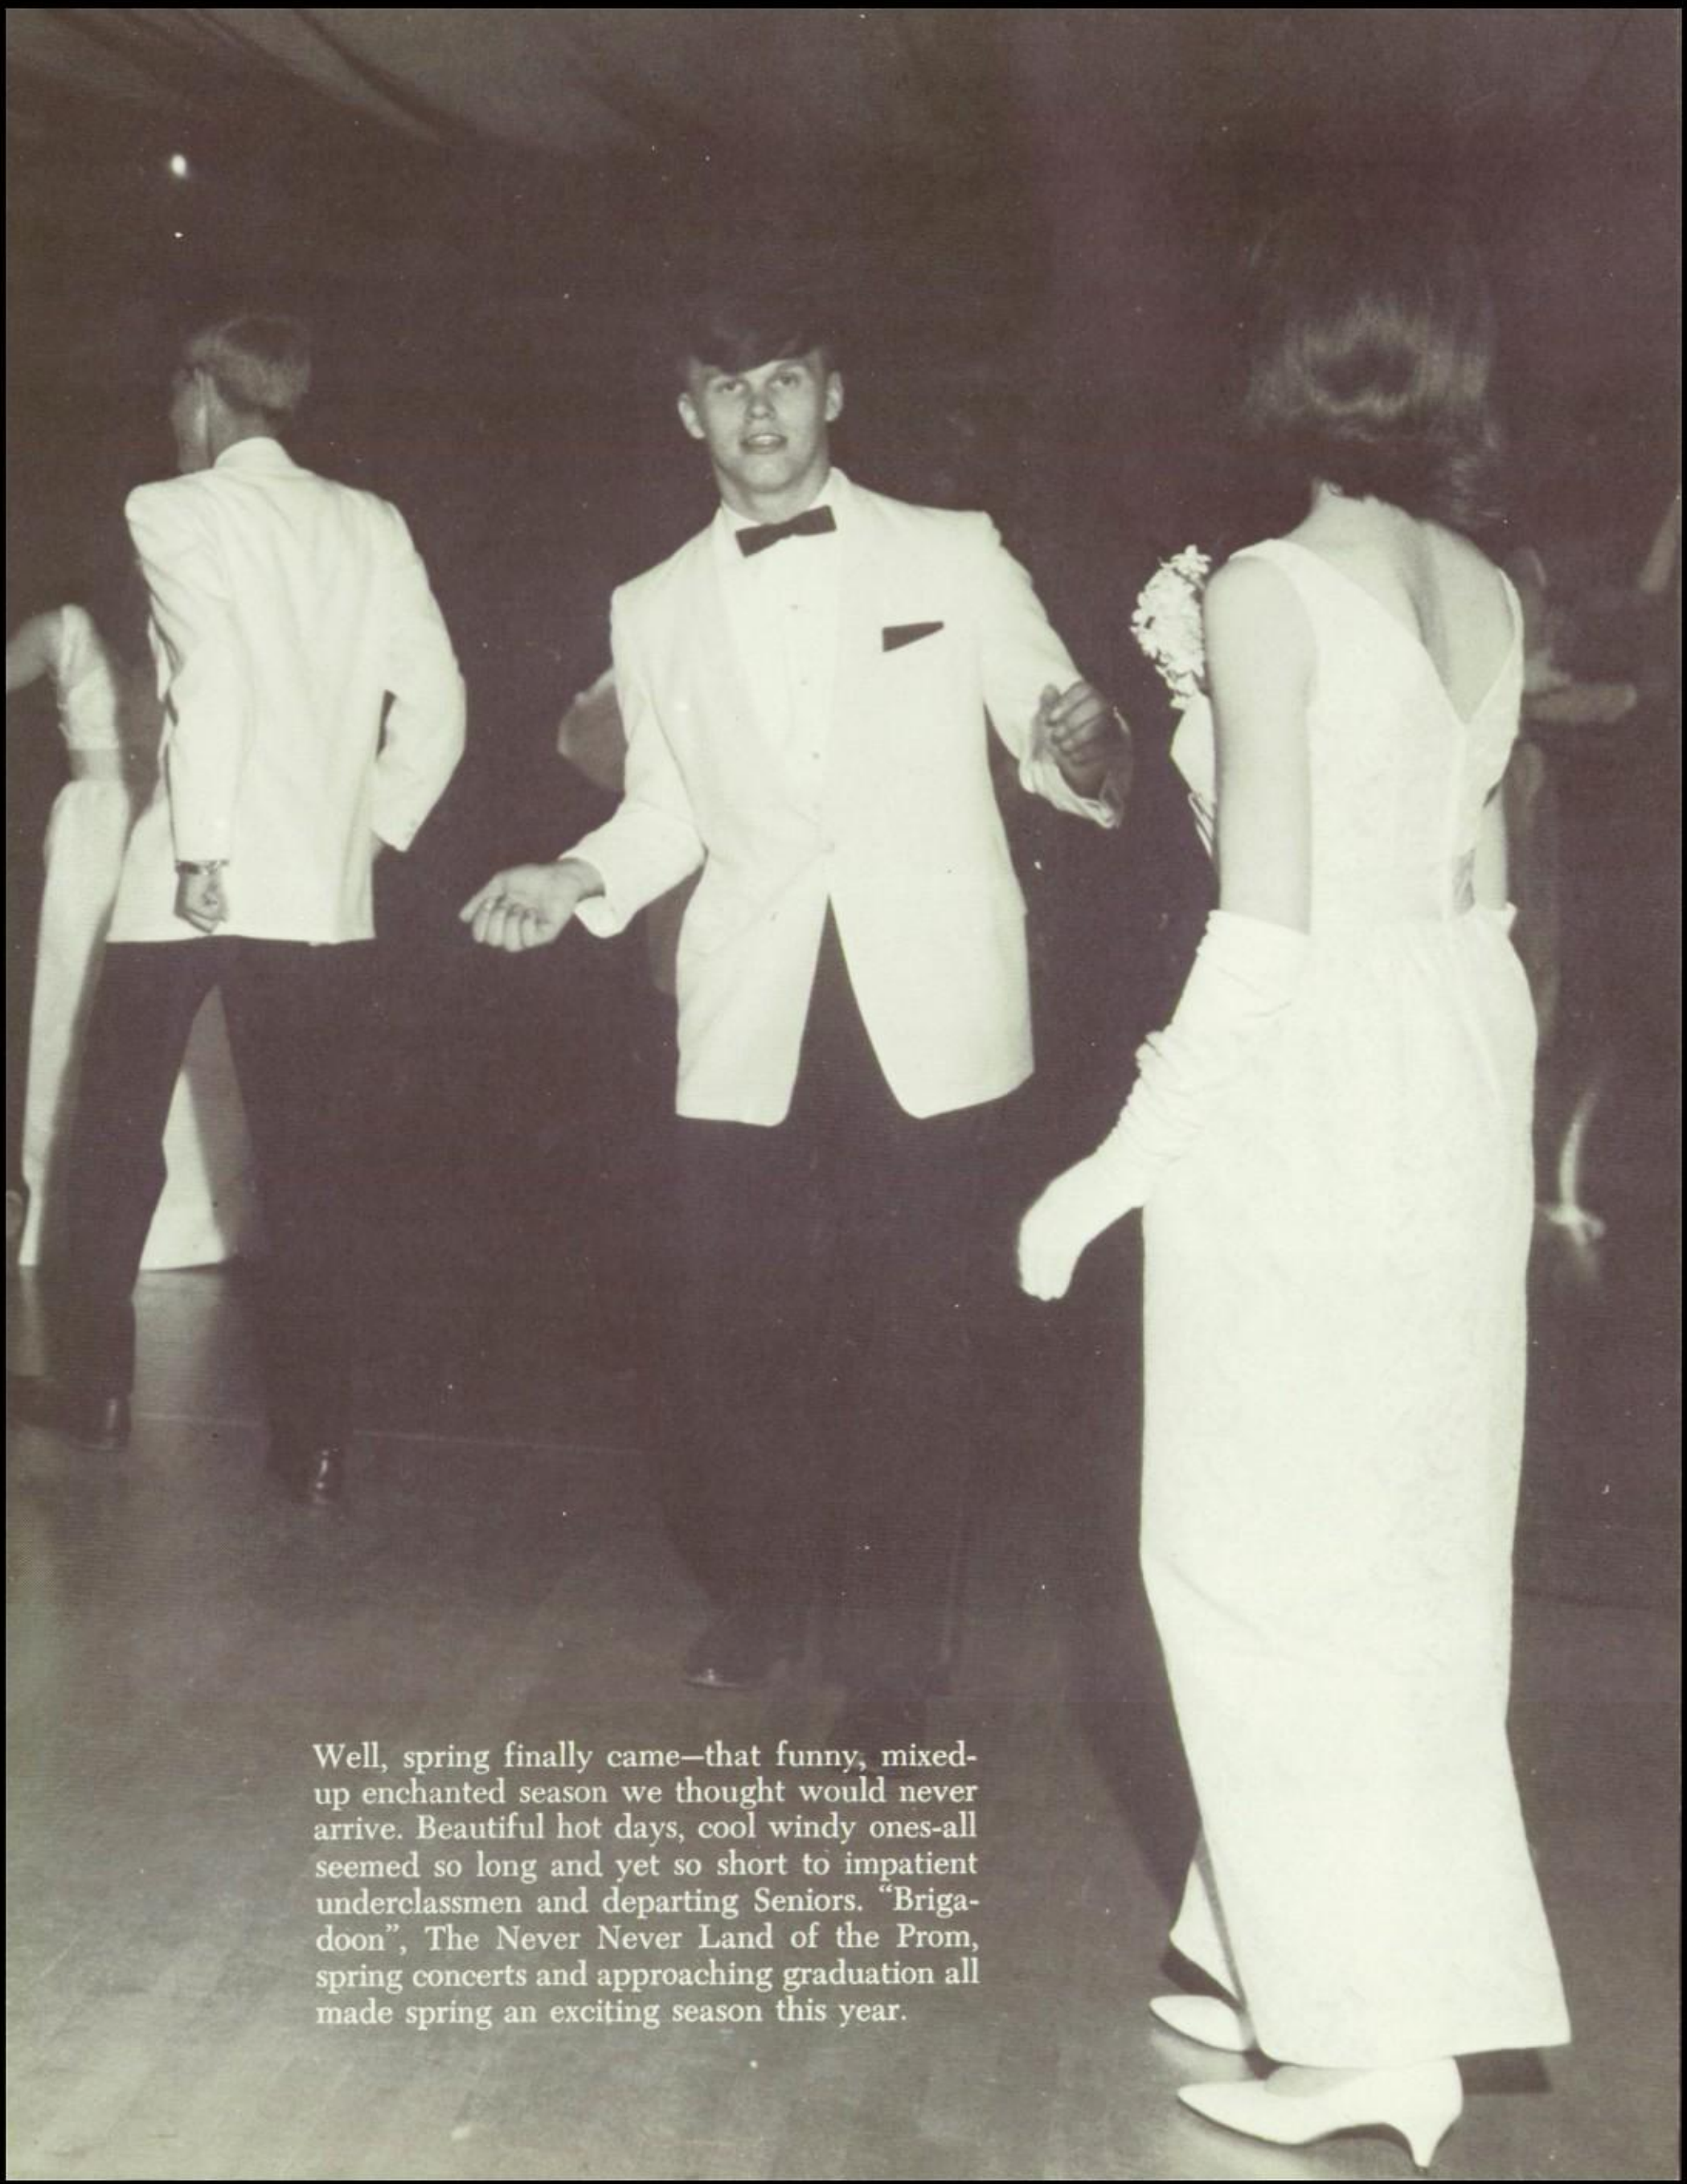
SPRING



Well, spring finally came—that funny, mixed-up enchanted season we thought would never arrive. Beautiful hot days, cool windy ones-all seemed so long and yet so short to impatient underclassmen and departing Seniors. "Brigadoon", The Never Never Land of the Prom, spring concerts and approaching graduation all made spring an exciting season this year.

Saints Win Tri-City and Little 7 Track Meets

Seven New Records Set

"The kids were tremendous," "the fans were great" and "what a wonderful way to bow out of the conference and end the season!", were just some of the words expressed by Paul Bergeson, St. Charles track coach, when his squads ran away with practically everything but the Mooseheart stands at the Little Seven Track Meet last Friday evening.

Next season the "Fighting Saints" will do their campaigning in the Upstate Eight league but they will be long remembered in Little Seven track circles for their final performance as a member of that conference!

Never Never Land

"Never Never Land"

I have a place where dreams are born,
and time is never planned.
It's not on any chart—
you must find it with your heart,
Never Never Land.

It might be miles beyond the moon,
or right there where you stand.
Just keep an open mind—
and then suddenly you'll find,
Never Never Land.

You'll have a treasure if you stay there,
more precious far than gold.
For once you have found you're way there,
you can never, never grow old.
And that's my home where dreams are born,
and time is never planned.
Just think of lovely things—
and your heart will fly on wings,
for ever in Never Never Land.

—Peter Pan

H A L O

Sometimes I wonder how the Halo Staff ever finds time to do all the things that are so necessary for the finished book. Lay-out, proof reading, typing, and writing copy is only a small part of the work done. Under the leadership of Mr. Blake Chilton and Mr. James Bannon, our scrambled masses of pictures, unfinished pages, and mounds of bills and papers, come to order and some how get finished just in time to bring you the best yearbook possible.

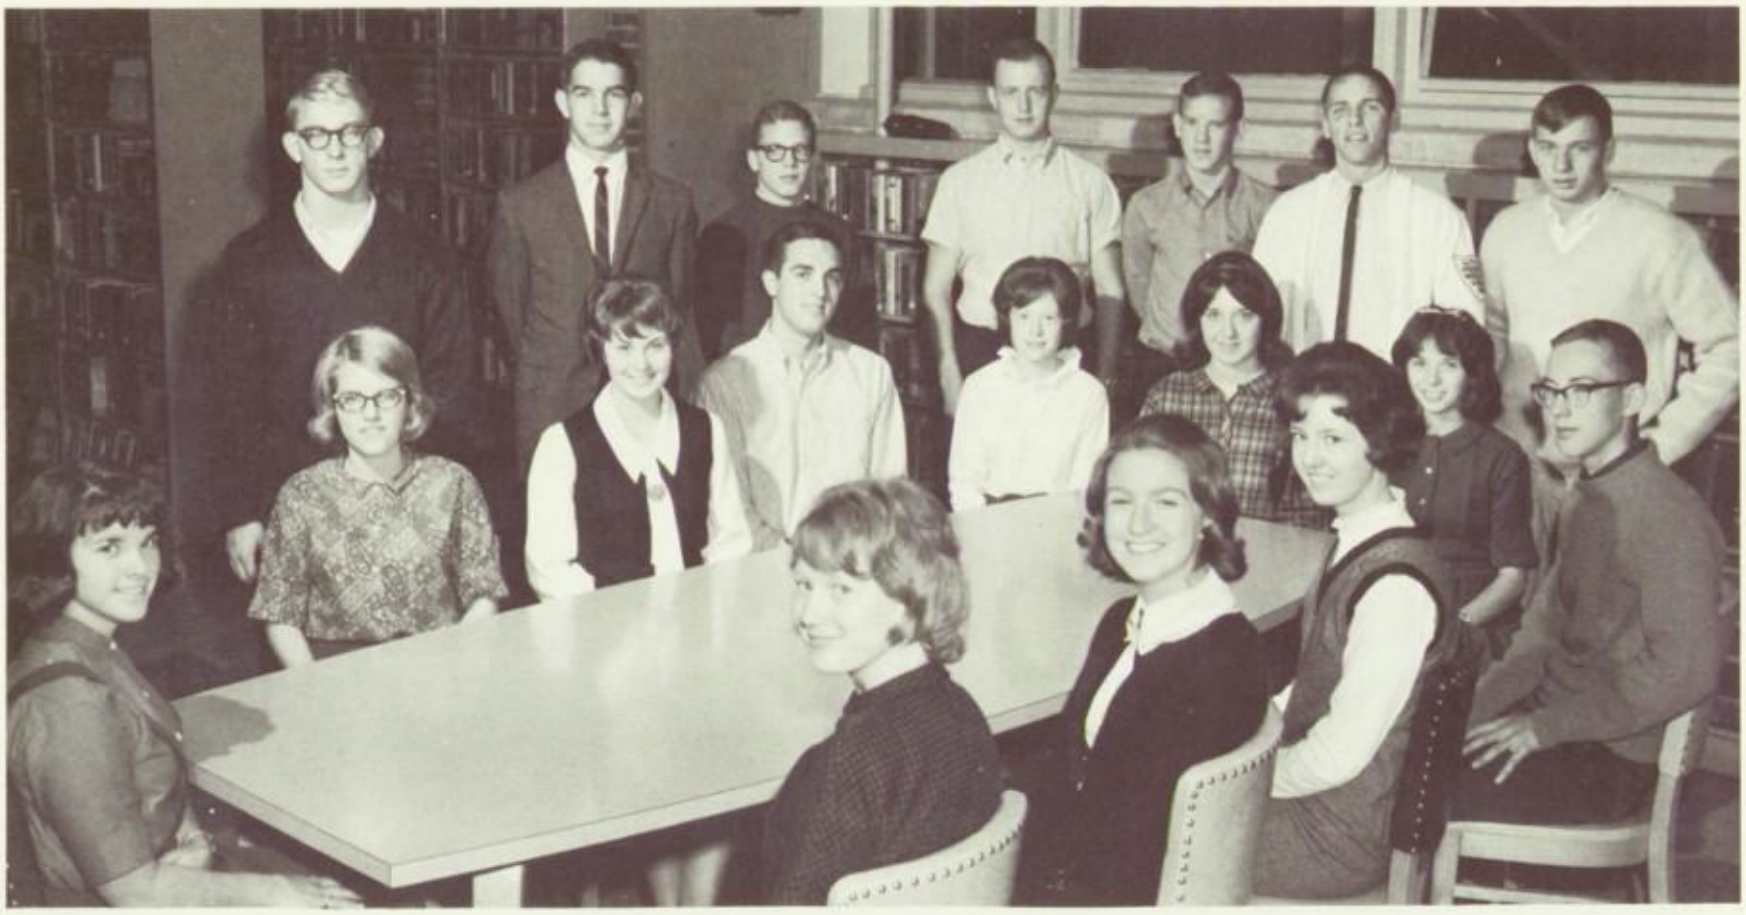
DRAMA CLUB

The Drama Club is one of the most hard working clubs in our school. They put on two plays a year which are really outstanding. We don't realize, when we watch the performance, all the work that's done behind the scene. There's make-up, scenery, and long hours of rehearsto do. Congradulations on a job well done.

HONOR STUDY HALL SUPERVISORS

Once again our honor system of student supervised study halls proved successful and brought more favorable recognition to our school. Admission to Honor Study Hall is by application and there is always a waiting list since membership is limited.



DEBATE CLUB

The debate club is open to all students who are interested in public speaking, effective argumentation, critical listening, and current affairs. This years group was highly successful with an outstanding performance in Up-State Eight competition.

STUDENT COUNCIL

The Student Council is the student governing body of the High School. It is an organization of students, elected by the students, to serve as their official representatives in all matters of concern to the entire school. Once again they worked with efficiency and imagination under the capable direction of Mr. Foiles and Mr. Capponi.

NATIONAL HONOR SOCIETY

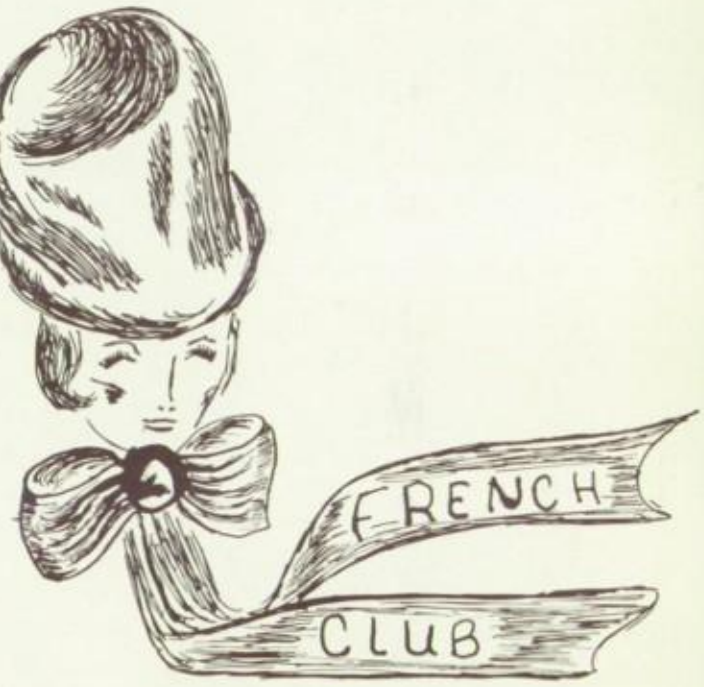
The annual Honor Society assembly is one of the most important events of the school year. Honor Society, sponsored in this school by Mrs. Raach, is a nation wide organization, dedicated to the recognition of outstanding students, who show the qualities of service, scholarship, leadership and character. President of Honor Society this year was Alan Stage.

LATIN CLUB

Multum in Parvo! was the Latin Club's slogan this year, as, headed by their small but mighty president, Bill Cordogan, and ably advised by Mr. Devoss and Miss Harra, they completed another successful year. The year's activities included a Christmas party in conjunction with the "other languages", the Humanities Day trip to Chicago, and the traditional Latin Banquet in the Spring.

FRENCH CLUB

With their sponsor, Miss Walling, the French Club busys itself in many ways. The Club's main aim is to learn more and more about the French people and how they live and work. It is truly said that the French Club is one of the most interesting clubs in St. Charles High.



SPANISH CLUB

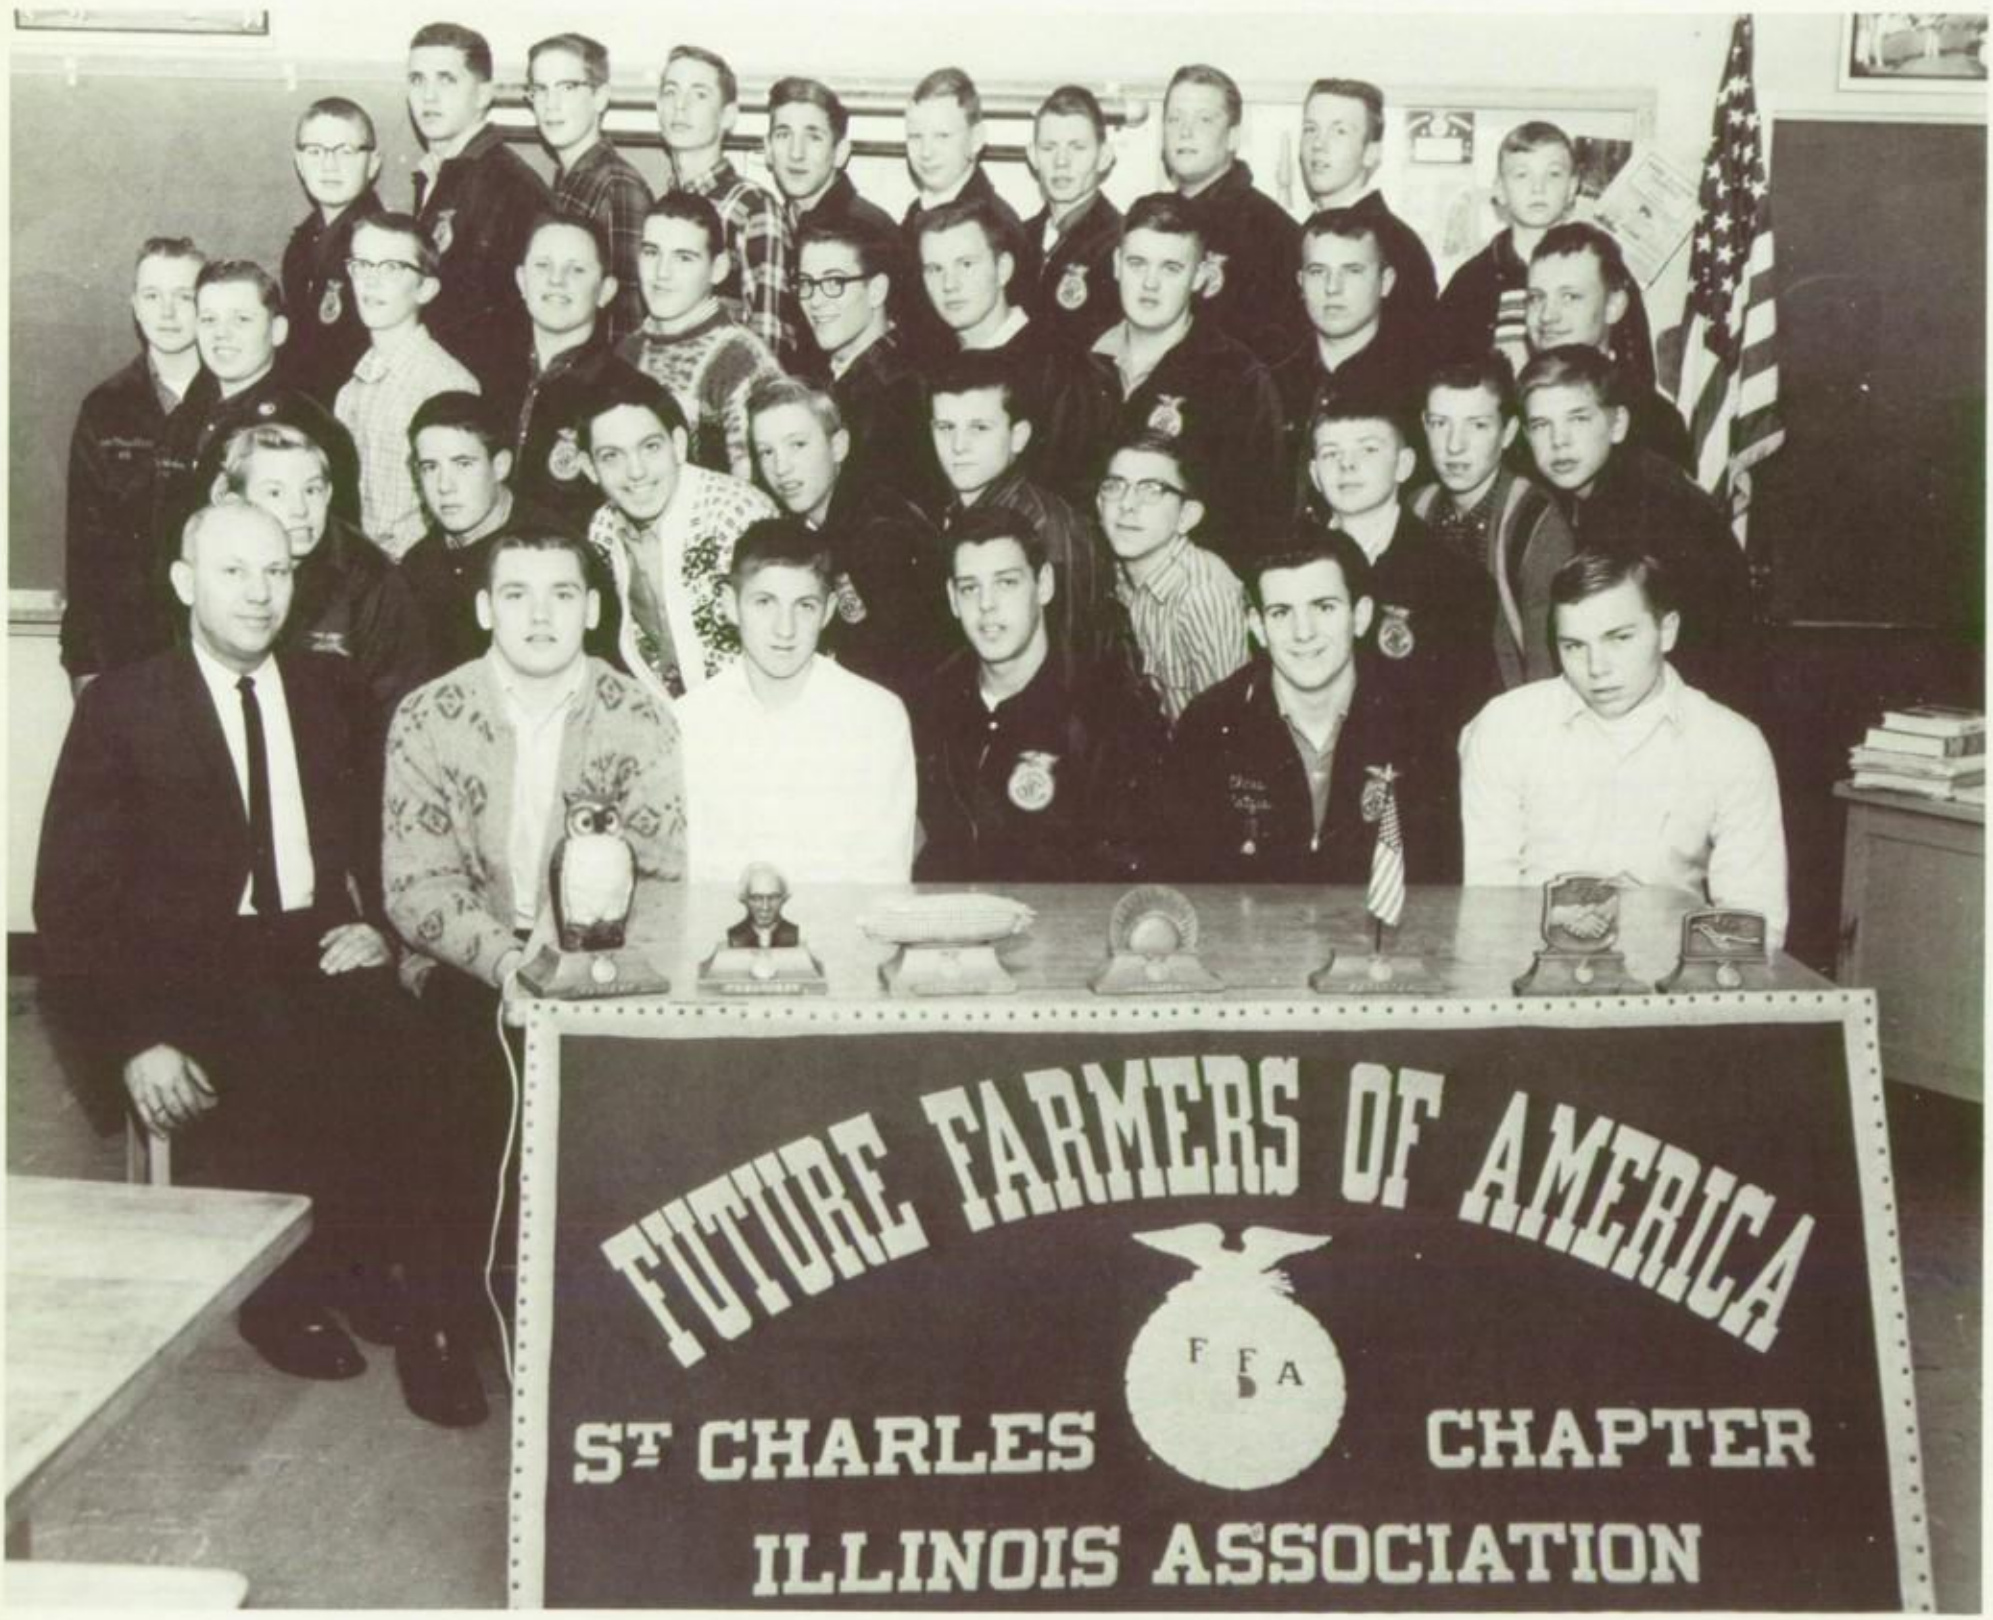
The Spanish Club is open to all the students of the High School. The meetings and special programs, under the direction of Mrs. Bannon provide an opportunity to learn more about Spanish-American life, customs, and holidays.

FUTURE TEACHERS

The St. Charles Future Teachers Association is affiliated with the State and National organizations. Its purpose is to study the broader aspects of education—its needs and development. It is open to both boys and girls and actual experience is acquired during elementary and high school student teaching days.

FUTURE FARMERS OF AMERICA

This group of boys we proudly call our gentlemen farmers. Mr. Marshall leads these boys in many interesting and informative activities. They sell the world's best honey and make the best popcorn in the world.



FUTURE HOMEMAKERS OF AMERICA

This club has been one of the most successful groups in our school this year. The annual F. H. A. Rally, numerous candy and bake sales and the Chicago trip are among only the many activities of this club.

PROJECTIONISTS CLUB

Without this group there wouldn't be a film shown anywhere in school. Their knowledge and know-how helped us enjoy the movies we see in class. With the assistance of Mr. Foiles, these boys have made available the projection of films, plus any necessary help that was required.

FRONT ROW: Charles McLaughlin, Mike Plumer, Don Jones, Rick Bold, Karl Karlsson, Bill Tjes, Douglas Jones. STANDING: Roger Dorrance, Glen Brewer, Mike Mayer, Brad Nelson, Bill Skar, Les Hickory.

The club operates its own amateur radio station, W9DYH. Members are encouraged to obtain their own F.C.C. license through their membership.

LIBRARY ASSISTANTS

The cry of "help" was answered more than once by our library assistants. I know that without their patient help we could have never made it through our senior themes and book reports. Thanks again for all your help.

Donna Bergland, Cathy Forney, Lenore Wilkis, Cindy Britz, Carol Gordon, Sue Bergland, and Melody Carlson.

HILO BOARD

This group of students provide many activities through the year, including the annual Sadie Hawkins dance, Jazz Concert, the Holiday Formal and of course Hilo after all the games. Their activities were a source of great enjoyment to all.

This club has many a busy Wednesday afternoon planning and working long after school hours to prepare the pep signs that go up before each game, whether its football, basketball or track. The pep club is always ready with pencil or paint brush in hand.

C-CLUB

Impressive isn't it? Well it should be! These boys are the stable foundation of our athletic teams.
In order to be a member each boy had to have a varsity letter. They are praised, not only for their athletic abilities, but for the services they perform for the school. A great big thanks boys!

FSA

The main purpose of this club is to further interest in the field of business and to help train girls for secretarial jobs after graduation. Under the direction of Mrs. Gregory this club has a promising future. We wish them all the success possible in the coming years.

The Bio-Medical Career Club was established in 1963 to satisfy the growing interest in the fields of medicine, nursing, and biology. Sophomores, juniors, and seniors are eligible for membership.

DRILL TEAM

Hup-2-3-4, pivot left, pivot right, march straight, heads erect, are just a few of the familiar sounds you hear at one of the practices of our fine Drill Team. We pride ourselves on having the only drill team in the Valley. Thanks to Miss Heller, we have the best group ever.

FINE ARTS CONCERT

24 MAY 1965

CHOIR

Our varsity singing group, under the direction of Mr. Getty, performed frequently and perhaps with even better than usual skill this year. Among the high lights were the operetta, the Christmas Concert, and the Fox Valley Festival.

Madrigals, octets, sextets—how does Mr. Getty keep them all straight? With large doses of patience, and dedicated hard work, mixed with those infamous "Mr. Getty jokes", he somehow managed to keep us singing and loving every minute of it all year long.

It's over!! It's over! Yes, it's all over—four wonderful, crazy confused years—years of growing up, of making friends, of finding out teachers are human after all—years of discovery and learning, and of excitement and fun. As we run to meet that big beautiful world out there, we'll remember those very special four years of our lives, with gratitude for all we've learned, and with affection for all our friends and the fun we've had.
